RESOLUTIONS
WHERAS it has pleased Almighty God, in His all-wise providence, to take unto Himself on April 28, 1959, our esteemed friend and officer, Thomas Walker Moses; and
WHERAS he had been a life-long citizen of Appomattox County, and his life was interwoven with the political, business and religious interests of the community, where he had been honored with positions of trust, all of which were faithfully and diligently performed; and
WHEREAS HE HAD BEEN A MEMBER OF The Board of Directors of this Institution since July, 1943 and had, by his sound business judgement, wise counsel and dependability won the respect and admiration of all with whom he was associated, and rendered an invaluable service to the progress of this Bank, THEREFORE BE IT RESOLVED:
FIRST—That we, the members of The Board of Directors of The Farmers National Bank of Appomattox, Va., acknowledge with deep appreciation and profound gratitude the service which has been rendered by our co-worker, and record this tribute of respect to the memory of him, who wrought well, and whose departure has left a vacancy, which will be keenly felt and deprive this Bank of a trusted member and the County a valued citizen.
SECOND—That we express to his bereaved family our sincere sympathy, and commend them to Him, who is the source of all comfort and help.
THIRD— That a copy of these resolutions be sent to the family, a copy spread upon the minutes of this Board and a copy published in The Times-Virginian.

In FASHION Now

Dress for your physical type. Choose clothes that flatter your figure and emphasize your coloring. Whether you're tall or short, chubby or slender, avoid the obvious.

Slouching posture won't decrease your height. Tall hats, platform shoes, and built-up hairdos will not increase your height.

Fluid, clinging fabrics literally point up a bony structure and tight fits reveal bulges. It takes an almost perfect figure to look good in fluid, clinging fabrics, and no one looks good if clothes fit too tight—regardless of the latest trend of some Hollywood stars.

What any lady of fashion should do is to study the more subtle use of line, color and texture of clothes becoming to her build. This is a bit of advice that is always in style.

Take the latest fashion and adapt it to your own personality and body type. News Report
Of Town Mayor

To the Citizens of
The Town of Appomattox:
You fine people are to be commended very highly for the wonderful support that everyone has given to the Clean-Up and Paint-Up programs. Let's everyone do our best to see that our premeins are kept as clean as possible.

Let me take this opportunity to thank the Appomattox Garden Club for the wonderful Flower Show that they sponsored last Friday and Saturday. This was a great help toward getting the people to Town, and furnishing entertainment for them. I also want to thank the Merchants Association for the nice parade which they sponsored.

The Appomattox Town Council held its regular monthly meeting on Monday, May 18.

The matter of a numerical and systematic numbering of all business establishments and residences was discussed at length. This matter was turned over to the Street Committee and I feel that by the June meeting this program will be ready to present to the Council for further consideration. I certainly feel that if a proper numerical numbering system is worked out and assigned to every business building and to all residences that it will be a great asset to our Town. Please cooperate with the Street Committee in every way that you can, should they contact you, in order to help expedite this program.

Again, I plead with all of you goood citizens to cooperate with the town officers in every way you can to help toward our Safety Program. In order to make this a success and remove the driving hazards the officers need the cooperation of everyone, thereby reducing and I hope erasing all speeding and reckless driving in the corporate limits.

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.,
Mayor, Town of Appomattox.

VERA PUPILS HAVE ENJOYABLE OUTING

On May 14, thirty-eight pupils of Vera School ,with their teachers, Mrs. A. W. Covington and Mrs. John W. Gunter, enjoyed a picnic and a train ride. The group left the school at 9:15 A. M. and went directly to a soft-drink bottling plant in Lynchburg. They were taken on a tour of the plant and sveved soft drinks. At Miller Park a picnic lunch was enjoyed, pictures were taken, and enough food remained for the children to feed the squirrels. After lunch, the group went to the Northfolk and Western Railway Station and at 12:42 P. M. boarded an eastbound train for Appomattox. This was a thrilling experience, since many in the group had never ridden a train. They were met at Appomattox by their faithful bus driver, Mr. Deaver, stopped for refreshments and then returned to Vera by way of a stop at the Park Museum at Old Appomattox. This is the appeal that will greet Appomattox citizens on the morning of May 23, from the American Legion Auxiliary's Poppy Day volunteers. A corps of volunteers from the Auxiliary and other groups has been organized by Mrs. Gulli to distribute the memorial flowers in all parts of the town on Friday, May 22 and Saturday, May 23.
